Boat Keys
Access codes are provided on the Boat Page

PARKING
Parking passes are required at PYM if staying after 6pm and for cruising. There are 2 parking passes on each boat. If you need more, then please go to the PYM office for guest passes (Mon- Fri 8:30 AM-5:00 PM) Note that until the new Peninsula office is complete, all staff are working out of the Seaside office at 3675 Victoria Ave (go past the small boat marina and take the road marked for the Seaside Boat Yard)

All **Small Boats** (Capri/Catalina 22s and 250) are located at the Ventura County Small Boat Marina. No parking passes are required.

A word of caution for the **Small Boats**. The westerlies can push our boats back into the channel when leaving and returning to the slip. We no longer have a wind shadow from the Paz Mar apartments. Take this into consideration and use crew if needed to control the direction of the boat into the wind. Practice and use slow the boat techniques whenever possible.

DO NOT SAIL INTO THE SLIP
